

MEMORANDUM OF UNDERSTANDING

**between the Kharkiv National University of Radio Electronics
represented by Acting rector Prof. Dr. Igor Ruban and
Anhalt University of Applied Sciences
represented by the president Prof. Dr. Jörg Bagdahn**

Kharkiv National University of Radio Electronics and Anhalt University of Applied Sciences (hereinafter referred to as „the parties“) with this Memorandum express their interest to coordinate and collaborate in academic activities pertaining to effective and mutually beneficial cooperation, to develop academic and cultural exchange and to cooperate towards the internationalisation of higher education.

The parties seek to intensify the following forms of co-operation:

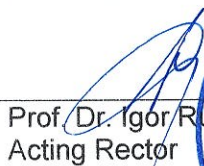

- I. Exchange of graduate and undergraduate students for study and research
- II. Exchange of faculty members for research, lectures and discussions
- III. Exchange of non-academic staff for exchange of experiences
- IV. Joint research activities
- V. Co-organisation and participation in lectures, seminars and conferences
- VI. Exchange of academic materials and academic publications and information
- VII. Co-operation in administrative issues
- VIII. All other relevant activities of mutual interest

This Memorandum does not result in any financial obligations. Each institution will be responsible for seeking funds to support its involvement in the cooperative activities contemplated under this Memorandum of Understanding, and all such activities will be dependent upon the budgetary appropriations of the parties.

This Memorandum will be effective from the date of signature for an initial period of three years. It will be automatically extended for a further year until notice is served. Both parties have the right to serve notice on the Memorandum until November 30th for the following year.
