Compare and rank similar universities or start with a university to compare

U-Multirank helps you compare universities with each other on a like-with-like basis. Use this page to say what universities or what kind of university you're interested in.

How it works

1 What subject are you interested in?

Select a subject area or choose to compare universities by looking at the whole institution.

Select a subject area   or   **Compare universities**

Agriculture   **Compare universities as a whole**

Biology   *Choose this option if the subject area you want isn't listed on the left or if you don't want to consider subjects yet.*
